Join us to Build a Better Future!

(August 2024)

Introduction

Education is a valuable investment not only for individuals but also for the whole community. Tung Wah College (TWC) is committed to providing quality education to nurture our youngsters to be socially responsible and caring professionals for the benefit of our community. Being a young self-financing tertiary education institution with limited resources, TWC must acquire donations to support its operation, sustain its development and achieve its mission. TWC would like to appeal for your support to our “Honour with Books” and “Love-a-Chair” programmes.

Honour with Books

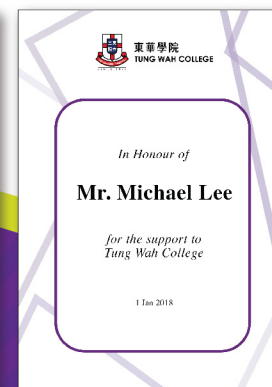

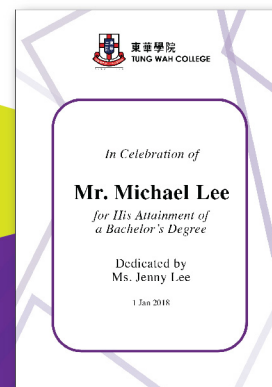

The “Honour with Books” Programme provides a meaningful way to pay tribute to a special person. The honouree will be remembered for years to come as a special bookplate will be affixed in a library book, viewable by any student, staff member or visiting scholar who reads the book. With a donation of \$1,000, the Library will affix a bookplate to a book from your preferred subject area.
