Dear Alumni, Students, Colleagues and Friends of TWC,

Education is a valuable investment not only for individuals but also for the whole community. Tung Wah College (TWC) is committed to providing quality tertiary education to nurture our youngsters to be socially responsible and caring professionals for the benefit of our community. Being a young self-financing tertiary education institution with limited resources, TWC must acquire donations to support its operation, sustain its development and achieve its mission. I would like to appeal for your support to our "Honour with Books" and "Love-a-Chair" programmes.

With the launch of the 7th Matching Grant Scheme by the Government, your generosity will benefit the College with an extra amount of matching fund and thus have a greater impact on our quality education. Please act now to show your support and dedication to our College!

Yours sincerely,

Prof. Yu-hon LUI, MH
President
Tung Wah College
