- (2) Tuition fees are normally charged in two instalments per annum and are payable before the commencement of each semester.
- (3) Students may require to pay additional fees apart from the two instalments of tuition fee per annum. After the add/drop period, students will be notified via the College's email about the fees to be charged for the courses.
- (4) Students may require to pay tuition fees or extension fees in their extended study period. Please refer to the Fees Regulation for details at "https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area".
- (5) All fees paid are non-refundable and non-transferable.
- (6) A student will be considered unofficially withdrawn from the study if he/she fails to settle the tuition fee by the payment due date without prior approval. Consequently, he/she is not allowed to take any assessment since his/her student status has been removed.
- (7) Students will receive an email notification in their College's email accounts. Students could check their fee statements via the Student Payment System after the date of email notification.
- (8) If students have financial difficulties in settlement of the tuition fees by the payment due date, they may apply to defer tuition fee payments.
