Remarks:

- (1) Tung Wah College will adjust the tuition fee of its programmes based on the Composite Consumer Price Index to be announced by the Government annually.
- (2) Tuition fees are normally charged by two instalments per annum and are payable before the commencement of each semester. New students are required to settle the balance of the tuition fee for the first semester (i.e. after deducting deposit) upon programme registration in August.
- (3) Students are required to pay additional fees for all retake/additional courses which would be charged at the rate of the normal cohort and be calculated by the number of credits to be taken. Please refer the details in the College's Fees Regulation at [https://www.twc.edu.hk/en/Administration\\_Units/fo/our\\_service/student-area](https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area).
- (4) This represents the programme fee after deduction of subsidy of the Non-means-tested Subsidy Scheme for Self-financing Undergraduate Studies in Hong Kong (NMTSS). In 2020/2021 academic year, the annual subsidy is \$32,100. The annual subsidy amount may vary in each academic year subject to the decision by the Education Bureau.
- (5) The tuition fee for the programme under the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) is the net fee paid by a student after deduction of subsidy from the Government. In 2020/21 academic year, the annual subsidy under the SSSDP is \$74,600 for laboratory-based undergraduate programmes and \$37,300 for laboratory-based sub-degree programmes. The annual subsidy amount may vary in each academic year subject to the decision by the Education Bureau. The average fee per credit is calculated by the programme fee before the deduction of subsidy from the Government.
- (6) All fees paid are non-refundable and non-transferable.
