ClinicalKey[®] for Nursing

Remote Access

To access ClinicalKey for Nursing from any location, users need to enable remote access. The instructions below show how registering with an organizational email address can activate remote privileges.

Register for a User Profile

- Visit ClinicalKey for Nursing at <u>http://www.clinicalkey.com/nursing</u> and click *Register* in the upper-right hand corner (Fig. 1).
- Create Your Username and Password using your organizational email address as your username.
- **3.** Click *Register* to generate a confirmation email.

Note: If you have already registered for ClinicalKey for Nursing or any of the following products: ClinicalKey, Clinical Pharmacology powered by ClinicalKey, Scopus or ScienceDirect, proceed to step 4.

Activate Remote Access

4. Visit the Login Page at <u>www.clinicalkey.com/nursing/#!/login</u> and click Apply Now under the Remote Access section in the lower right-hand corner (Fig. 2).

Note: Before clicking Apply Now ensure that you are logged out of ClinicalKey for Nursing or any other Elsevier product.

- **5.** Input your Organizational Email and click continue to generate an activation email.
- 6. Open the Activation Email within 60 minutes and click the Activate Remote Access link (Fig. 3).
