

# VitalSource®

## QUICK GUIDE

### About VitalSource

VitalSource is an ebook platform with a collection of more than 20 ebook titles from some of the leading publishers (e.g. Elsevier, McGraw-Hill, Pearson & Wolters Kluwer). They are all available to access via [TWC Search](#).

### Part I: Getting Started

1. Select an ebook marking with an “Online access via VitalSource” link in Primo Search.
2. Click the “Online access” button.

The screenshot shows a Primo Search result for a book. The title is "Orthotic intervention for the hand and upper extremity: splinting principles and process" by Jacobs, MaryLynn A. editor of compilation.; Austin, Noelle M editor of compilation. It is the 2014 Second Edition. A red box highlights the "Online access >" button. Below the title, there are navigation options: TOP, SEND TO, VIEW ONLINE, DETAILS, LINKS, MORE, and VIRTUAL BROWSE. The "VIEW ONLINE" section includes a "View Online" dropdown menu with "Online access via VitalSource" selected and highlighted by a red box. The "DETAILS" section shows the title and author information.

3. Enter your Tung Wah College email to continue.

*\*\*Must create an account with college email ~"@twc.edu.hk"~ to access\*\**

## Welcome to Tung Wah College

To begin, enter your Tung Wah College email.

[Continue](#)

Entering your email allows you to

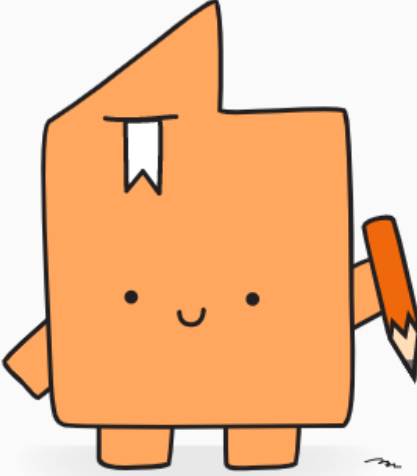

Read books offline with our mobile and desktop apps.

Share your notes and highlights with friends.

4. Enter Registration Information.  
(e.g. name, password and security details)

\*\*Login allow you check-out the e-book and do some personal notes e.g. highlight, flash cards which may help in studying. \*\*

You're almost done!

@twc.edu.hk ([change email](#))

First Name	Last Name
<input type="text"/>	<input type="text"/>

Password	Confirm Password
<input type="text"/>	<input type="text"/>

Must contain at least 8 characters, an uppercase letter, a lowercase letter, and a special character.

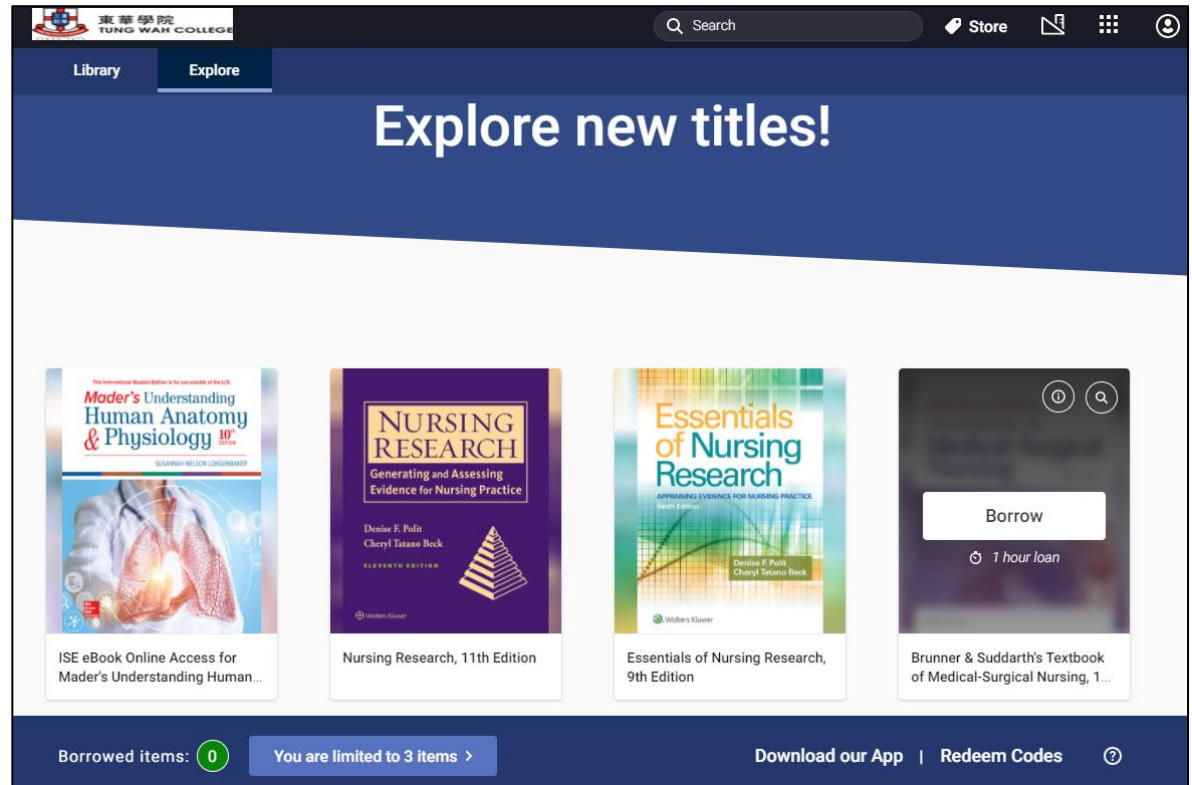

Security Question

Security Answer

I agree to the [Terms of Use](#), [Privacy Policy](#), and [Cookie Policy](#).

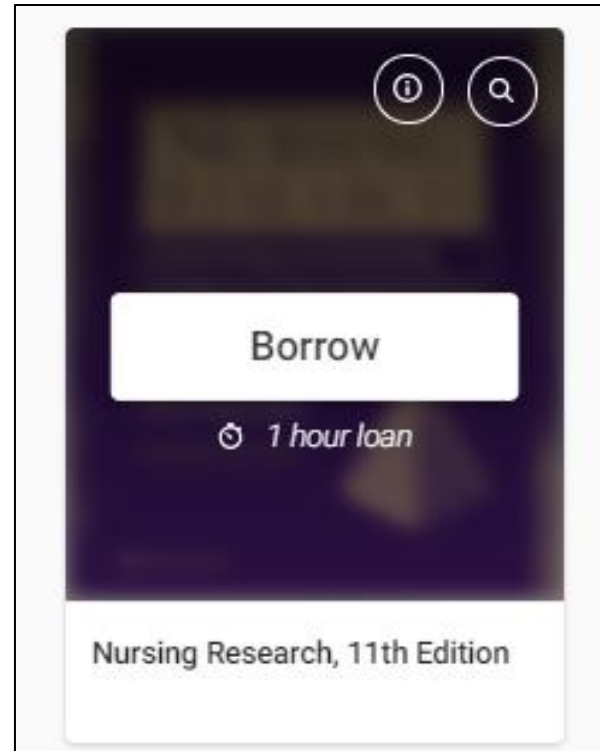

[Finish](#)
