

Student Orientation Activities & Inappropriate Behaviors on Campus under the Equal Opportunities Legislation

A. Anti-Sexual Harassment

The College is committed to providing a harmonious learning environment for students, and will not tolerate any act of sexual harassment. Sexual harassment is prohibited by law. The College's policy and procedure against sexual harassment sets out the mechanism for dealing with allegations or complaints of sexual harassment.

Details of the definition, complaint procedures and process of the College on Sexual Harassment Prevention can be found here:
