

Scheme for Subsidy on Exchange for Post-secondary Students (SSE) Application Guidelines

Objectives

1. The Scheme for Subsidy on Exchange for Post-secondary Students (SSE) is funded by the HKSAR Government to subsidise local undergraduate students, with financial need, to participate in exchange programmes.

Student Eligibility

2. Local students may submit their application under SSE under **ALL** of the following criteria:
 - Applying students must be HK residents
 - Full-time undergraduate and sub-degree students of Tung Wah College at the time of application and throughout the duration of the exchange programme
 - Students who are in receipt of means-tested student financial assistance from Student Financial Office (SFO) of the Working Family and Student Financial Assistance Agency; OR whose family is in receipt of the Comprehensive Social Security Assistance (CSSA) from the Social Welfare Department (SWD);
 - Have never received any subsidy under the Scheme.

Students are only eligible for the subsidy **ONCE throughout their study in programme at the same level of study in Hong Kong, irrespective of the amount received.*

**Students will not be eligible to receive subsidy under the SSE if they have been subsidised under the SSE/Non-means-tested SSEBR for the same destination before.*

Exchange Programme Eligibility

3. An outbound exchange activity comprising substantive teaching and learning elements.
4. Programmes which are organised or endorsed by TWC.
5. The hosting institution must be a recognised educational institution/body either in Hong Kong or in the home country.
6. Programmes which are **lasting for 2 weeks or more** if the applicant is a student of an undergraduate programme; or **lasting for 2 weeks or more** and are related to disciplines/fields of studies or language immersion programmes if the applicant is a student of sub-degree programme. It excludes the travel time back and forth between Hong Kong and the programme destination.
7. Other things being equal, priority should be given to credit-bearing or award-bearing exchange programmes.
8. Internship and volunteer work will NOT be considered as eligible exchange activities in general.

Amount of subsidy

9. The maximum amount of subsidy for each eligible student is calculated by adding up (i) and (ii) below, then discounted by his/her latest level of student finance (in terms of percentage of full grant) approved by SFO of the Working Family and Student Financial Assistance Agency. From September 2019 onwards, if the level of student finance approved by the SFO is lower than 50%, the financial assistance level to be adopted in the calculation of maximum amount of subsidy should be adjusted upward to 50%.

(i) Destination	Subsidy Amount (HK\$)	(ii) Duration	Subsidy Amount (HK\$)
Asia (including Middle East)	\$3,000	14-28 days	\$6,000
Africa	\$7,000	29-90 days	\$10,000
Oceania & Europe	\$8,000	91-180 days	\$25,000
North America	\$9,000	Over 180 days	\$45,000
Central & South America & Caribbean	\$15,000		

Example: If a student receiving 50% of full grant from SFO joins an exchange activity in Hungary for 100 days, the maximum amount of subsidy to be granted to the students will be \$16,500.

(i.e.: [(i) \$8,000 + (ii) 25,000] x 50%)

10. The College may at its full discretion, adjust the actual amount of subsidy to be granted to the student downwards from that maximum amount, having regard to the actual travelling expenses and participation fees involved in the exchange activities, other subsidy/sponsorship received by the students, etc.
11. Students who have previously received assistance from other scholarships or support schemes wholly or partly funded by the Government/TWC are also eligible for assistance.
12. Priority would be given to those who have not received any subsidy under scholarship/sponsorship/subsidy schemes wholly or partly funded by the Government/TWC.
