## Student Development

### Support for Student Bodies

SAO is committed to provide support to student organisations of the College in their organisation of programmes and activities which are of vital importance to students' all-round development. SAO takes up an advisory role to student organisations, as well as bridges communication between the college management and students.

## Tung Wah College

### Global Student Ambassador

#### (TWCGSA)

TWCGSA aims to nurture a culture of civic engagement and enhance an atmosphere of widening horizon among campus and students. It provides valuable opportunities for students to learn to serve and serve to learn as an ambassador for TWC and as a student representative of the College in serving the community.

## Global Leadership & Advancement Programme

### (GLAP)

GLAP is a one-of-its-kind advancement training programme tailor-made for undergraduate students of Tung Wah College. GLAP participants are encouraged to become open-minded and responsible global citizens with a sense of belonging to a world community and concerns about global issues within and beyond Hong Kong. The Programme enables our students to strengthen their relationship with self and other, broaden their perspectives in global and local concern, challenge their boundaries and uncover attitude, knowledge, ideas and practical soft skills that they will contribute to the advancement of the human society.

## Funds and Other Support Schemes

TWC encourages students to actively organise and participate in extracurricular activities. On top of guidance from SAO, you may apply for support from the [Student Activities Fund](#). Eligible students may make use of the TWC [Student Development Fund](#) and subsidy schemes of the government to join overseas study tours.

## Sports Development

[Sport Development](#) aims to promote a culture of growth in sports activities within TWC campus. We organize a variety of sports activities and competitions, and provide a supportive sports environment to enhance the overall well-being of our students and raise awareness of healthy lifestyle.

## TWC's Got Talents

TWC's Got Talent is organised every year to provide a platform for students with diverse talents to showcase and share their abilities with fellow students. All kinds of performances, e.g. singing, dancing, playing musical instruments... are welcome!

## Outbound Study Tours

[Outbound Study Tours](#) are invaluable experiential learning opportunities that offer students a chance to explore educational, cultural, and professional aspects beyond the confines of traditional classrooms. These tours provide a bridge between theoretical knowledge and practical understanding, intercultural competence, and global awareness.

## Wellness and Inclusion

### **Counselling Services and support**

SAO conducts workshops and training to enhance students' developmental growth, while professional counselling service would be provided by our counsellors. Students could seek advice from our counsellors in a supportive atmosphere to enhance their self-understanding and try to find resolutions of their personal concerns. Our counsellors are ready to listen to your concerns, show understanding, provide support and explore ways for achieving changes that you would like to make.

### **Wellness Festival**

To raise the awareness of healthy lifestyle and mental wellness among students, SAO collaborates with various units in organising a variety of programmes, including seminars and workshops, promotion booths and sports games to promote health and wellness annually.

## **Support for Non-local Students**

SAO provides support services to non-local and Mainland students throughout their studies at TWC. We offer a wide range of services and activities including orientation and personal guidance to enrich students' learning experience and facilitate their adaptation in the College.

## **Support for Students with Special Education Needs**

We are committed to develop a barrier-free learning environment and provide equal opportunities in the academic pursuits of students with special needs. As the needs of each student may be unique, we encourage students with special needs to disclose to us their needs, so that personalised support could be arranged and provided.

## **Peer Mentorship Programme**

Peer Mentors are volunteers to provide assistance to a group of freshmen. It aims to provide a platform for senior students and freshmen to make friends, create a friendly and supportive environment for freshmen to adapt the transition. If you would like to participate in the programme, please contact our counsellors for more information.

## Life Planning & Career Services

SAO provides [career development services](#) which includes CV Doctor, mock interview practice, individual career guidance, e-resources, career talks and training workshops. Different kinds of internship and job opportunities are also released weekly to all students and graduates via SAO Webpage and mass email.

[LPC Job Portal](#) supports TWC students throughout the journey of job searching and career exploration. Through the portal, students are able to:

- Browse a wide range of employer profiles across diverse industries;
- View full-time, part-time job and internship postings, with the ability to filter by employment type, industry, job function and more;
- Submit their CV directly for desired job opportunities; and
- Monitor the status of job applications.

## **Non-credit bearing Graduation Requirements**

### **1. College Seminar**

[College Seminar](#) aims at widening students' exposure and developing awareness in knowledge outside their disciplines. Diverse topics will be discussed by professionals. Full-time bachelor's degree students are required to join at least eight Seminars before graduation.

### **2. Work-Integrated Learning Programme (WILP) - Internship**

[WILP Internship](#) (480 hours) involves work-based learning experiences that are relevant to students' disciplines. Students' Practicum as arranged by the academic programme is equivalent.

### **3. Community Service Programme**

To enable students to possess the attributes of being morally and intellectually responsive with social awareness and a caring attitude for needy people, TWC requires all students, both degree and sub-degree, to complete [30 hours \(10 hours College-Based and 20 hours Community-Based\) of community service](#) as part of the graduation requirement.
