

Medical Imaging

醫療影像學(榮譽)理學士

This programme aims to provide quality academic and clinical education to the professional practice of medical imaging. Apart from the General Education and Language courses, students need to take discipline courses such as Human Anatomy, Imaging Anatomy, Patient Care, Imaging Informatics, Medical Imaging Studies, CT, MRI and Ultrasound. Students are required to complete not less than 1,300 hours of clinical practicum in public and private hospitals as part of the Radiographers Board registration requirement.

Medium of Instruction	English

Years of Study	4 years

QF Level 5

QR registration no. 24/000068/L5

Validity period 01/09/2024 to 31/08/2029

The programme was granted funding from the "Self-financing Post-secondary Education Fund Enhancement and Start-up Grant Scheme" of the Education Bureau to support its development and offering.

Programme Objectives

- To train students to become radiography practitioners with professional knowledge, skills, sense of responsibility, compassionate patient care, communication abilities and evidence-based clinical practice;
- To develop students' critical thinking and problem-solving skills; and
- To prepare students with reflective and reflexive practices, and aspiring to lifelong learning.

Professional Recognition

- The College is applying for professional recognition from the Radiographers Board, with the expectation that the approval process will be finalised before the first cohort of students graduates. By obtaining professional recognition, graduates are eligible to register as Radiographer (Diagnostic) "放射技師(診斷類)" (Part II).

Career Prospects and Further Studies

- Graduates can practise as Diagnostic Radiographer in Hospital Authority's hospitals, private hospitals or medical imaging centres in Hong Kong.
- Graduates can further study in local and overseas master's programmes in Medical Imaging and Radiation Sciences, Medical Physics and Healthcare Management.
- The Hong Kong's professional qualification is recognised by a number of countries such as UK, Canada, Singapore and Australia.

Programme-Specific Requirements

- Preference will be given to applicants who have obtained Level 3 or above in Combined Science* or Physics or Chemistry or Biology in HKDSE.
- Preference will be given to applicants who have obtained Level 4 or above in English Language in HKDSE.
- Preference for interview invitation will be given to selected candidates who place the programme as their Band A choices in JUPAS.

* Obtained before 2024 HKDSE.

- Tung Wah College will adjust the tuition fee of its programmes based on the Composite Consumer Price Index to be announced by the Government annually.
- Tuition fees are normally charged by two instalments per annum and are payable before the commencement of each semester. New students are required to settle the balance of the tuition fee for the first semester (i.e. after deducting deposit) upon programme registration in August.
- Students are required to pay additional fees for all retake/additional courses which would be charged at the rate of the normal cohort and be calculated by the number of credits to be taken. Please refer the details in the College's Fees Regulation at https://www.twc.edu.hk/en/Administration_Units/fo/our_service/student-area.
- The tuition fee for the programme under the Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) is the net fee paid by a student after deduction of subsidy from the Government. For annual subsidy amounts, please refer to <https://www.cspe.edu.hk/en/sssdp/>.
- All fees paid are non-refundable and non-transferable.
