Now an Occupational Therapist II at SAHK

Looking back my four years at Tung Wah College, I am filled with gratitude for the impact it has had on both my personal and professional growth. The teaching staff, comprised of professional occupational therapists with extensive clinical background across various fields, provided us with a solid foundation in occupational therapy. Their guidance and support, along with diverse teaching materials, equipped us to apply and integrate our knowledge and skills in various clinical settings during our placements.

I want to express my heartfelt appreciation to Tung Wah College and my clinical educators for empowering me to step into the world as an occupational therapist. I am excited to actualise what I've learned in my future career and make a positive impact on the lives of others.
