Now a Physiotherapist II at Alice Ho Miu Ling Nethersole Hospital

"Hard work today is the preparation for patients in the future". This is my motto which is inspired by my teachers at Tung Wah College. Apart from the knowledge and practical skills learned from the classroom and clinical practicum, we are taught to be passionate and caring physiotherapists. I would like to express my gratitude to my teachers for their guidance and encouragement throughout these four years, leading me towards a pathway to be a good physiotherapist. I promise myself that graduation does not put an end but kicks off a new chapter of my learning.
