東華學院校長
President of TWC

繼往開來 Herald TWC future

東華學院創校十載，我非常榮幸能夠在十年誌慶之際加入學院，與教職員同學們一起向前邁進。

自二零一零年起，短短十年間，學院憑藉多元化及與時並進的課程，已在高等教育界佔一席位，承擔著為香港社會培育人才的教育使命。我回顧學院的發展在十年間騰飛躍進，全賴東華三院的鼎力支持、歷任校董會、校務委員會成員和校長開拓新路，以及歷屆師生協心戮力，為學院奠定了堅實的基礎。

學院成立開初，學生人數不足一千人。時已至今，學院已發展成擁有四個學院，提供十六項課程，學生人數超過三千人的自資專上院校。學院除了拓展葵興新校舍，更成功以職業治療學科取得首個學科範圍評審資格，證明學院不論在管理、財政及學術環境方面，均具備大學應有水平。相信學院在不久的將來，必定能成為一所立足香港，面向世界的私立大學。

前人的深耕細作鼓勵學院眾人奮發向上，於教學及研究上精益求精。繼承過往十年發展的基礎，我將帶領全校師生開創新里程，在提升教研實力、擴充校園設施、發展全新學士、碩士及博士學位課程等多方面全力奮進。我衷心感謝各界對東華學院的支持及祝賀。學院定必致力育人育心，培育莘莘學子達才成德，回饋社會。

The Year 2020 marked the 10th Anniversary of Tung Wah College (TWC), I am very pleased to join the TWC family at this historic moment. It is my honour to work with colleagues and students to take TWC to the next level.

Since 2010, TWC has been committing to the mission of nurturing talents to serve the Hong Kong society. TWC has become well represented in the tertiary education sector in Hong Kong, offering diverse programmes to meet the societal needs. TWC has tremendous growth over the past ten years. Its success owes much to the unwavering support from the Tung Wah Group of Hospitals, and the foresightful planning of the current and the former members of the Board of Governors, the College Council, and the past Presidents. Their leadership and vision, together with the concerted efforts by teachers, students, and alumni, have laid a solid foundation for TWC.

TWC has less than a thousand students at its initial stage of establishment. It has now developed into a self-financing degree granting tertiary institution with four schools, offering 16 quality programmes with over 3,000 students. Apart from establishing the new Kwai Hing Campus, TWC has successfully obtained its first Programme Area Accreditation status for the programme area of Occupational Therapy. It is evident that TWC has attained the standards that a university should have in terms of governance, finance, and academic environment. We are confident that TWC will become a Hong Kong based private university with global outlook in the near future.

As the new President of TWC, I am inspired by the devotion of the College's predecessors. Their conscientious and pragmatic efforts have effectively motivated the TWC team to striving for excellence. Leveraged on the foundation that has been built over the decade, I will lead TWC's staff and students to embark on the new journey ahead. With concerted efforts, we will further enhance excellence in teaching and research, expand campus facilities, and develop new undergraduate and postgraduate programmes. I would like to express my heartfelt thanks to different sectors of the society for their support and congratulations. TWC will continue to enlighten young minds, nurture socially responsible and caring graduates with integrity, sound attitudes and appropriate knowledge and competence to serve the community.

轉眼間東華學院已經成立十周年。學院雖然年輕，但已為高等教育界所熟知，歷年為社會培育了不少人才。我相信學院未來發展將更勝從前，教學水平亦會不斷提高。轉眼間在學院的學習，已踏入第三個學年，學院已成為我人生的友伴，有如燈塔一般，賦予我光明和力量。

謹向學院十周年誌慶，致以誠摯祝賀！

A decade has gone by so quickly that TWC is now celebrating its 10th Anniversary. As a young and vibrant institution, the College has established its footing in the tertiary education sector and has nurtured generations of talents for the society. I truly believe that the College could reach far beyond the present in the coming years, as we are improving and growing from time to time. As a third-year student in TWC, the College has been a companion in my life and empowered me like a beacon.

My heartfelt congratulations to TWC on its 10th Anniversary!

Now a Clinical Psychology Registrar and PhD student in Psychology at the University of Tasmania, Australia

我探求臨床心理學的學術路始於2012年，在東華學院修讀應用心理學學士課程。

當時學院的應用心理學學士課程才剛剛開辦，資源比較有限，但我和同學在多方面都感受到教授、講師和行政人員的支持。同學間相處融洽，一起訴說夢想。作為學生運動員，我經常要到世界各地特訓或參加比賽，未必能夠上課，同學會替我寫筆記和為課堂錄音。學院亦彈性處理我的情況，讓我能平衡學習與比賽。若無學院的堅實支援，我不可能在2013年東亞運動會奪金，更不可能以一級榮譽的成績畢業。

獲悉這所培養我的優秀學院今年踏入十周年，我感到十分高興，祝願學院發展更上一層，繼續提供優質教育，培育人才，回饋社會。

我已負笈海外，但學院常在我心。願一切順利，東華學院！

My journey to pursue clinical psychology study originated in TWC - when I was doing a bachelor's degree in applied psychology in 2012.

At that time, the programme was initially launched and the resources provided were rather limited, but my fellow classmates and I could feel the all-round support from the professors, lecturers and administrative staff. Classmates were friendly and we shared our dreams together. As a student athlete, I had to travel around the world to participate in special training and competitions. My classmates were kind enough to prepare notes and recorded lectures for me.

TWC flexibly dealt with my situation and enabled me to strike a balance between studies and sports. Without the staunch support from TWC, I would never win the gold medal in the East Asian Games and graduate with first-class honours.

I am glad to know that my amazing college has turned 10 years old. I wish the College further success on its mission to provide quality education and nurture more talents for the society.

I may be abroad, but my heart is always here. All the best, TWC!

東華學院的護士畢業生勤奮守時，熱誠好學，他們對病人關懷、友善親切，與病人及醫療護理團隊也有良好的溝通。他們在照顧病人和處理日常工作上，都具備充足的知識和技巧，也勇於承擔責任。他們的表現充分發揮了護理的專業精神。

我十分高興能為東華學院十周年致賀。自2010年成立，東華學院今天已發展為一所廣獲認同的高等院校，提供高質素課程，為本港培訓出不少醫療專業人才，當中包括護士。我深信東華學院會繼續擔當重要角色，培育具才能、願意承擔社會責任及關懷病人的護士，推動護理業界向前發展。
