銀齡共融 · 健康同行

Active Aging : Wellness in Unity

活動由醫療及健康科學學院職業治療學主辦，並獲華懋集團旗下如心園場地支持。當日活動包括由職業治療學學生設計的互動攤位、由職業治療學學生及專業醫療人員主持的健康教育講座，以及其他體驗式健康活動，促進跨代共融，更致力提升社區整體健康水平。

The event was organised by the Occupational Therapy (OT) Programme of the School of Medical and Health Sciences, with venue support from Chinachem Group's Nina Park. The event featured interactive booth games designed by TWC OT students, health education seminars led by OT students and healthcare professionals, and other experiential health activities. The event not only fostered intergenerational inclusion, but also enhanced overall community wellbeing.

東華三院「奔向共融」－香港賽馬會特殊馬拉松 2026

TWGHs "iRun" – The Hong Kong Jockey Club Special Marathon

東華學院一如過往多年積極支持賽事，義工隊分別在主舞台上向參賽者示範熱身和舒緩運動，亦為有需要的跑手及伴跑員提供即場物理治療服務，協助他們順利完成賽事。

As in previous years, TWC showed its full support for this event. The TWC volunteer team engaged participants with warm-up and cool-down exercise demonstrations on the main stage. They also provided on-field sports physiotherapy services for runners and guide runners in need, assisting them in completing the race.

渣打香港馬拉松 2026

Standard Chartered Hong Kong Marathon

東華學院連續三年擔任支持機構，義工隊分別在維園終點，為參加者提供專業的賽後復原及急性創傷物理治療，及於賽道沿途四個地點支援醫療輔助隊，為參賽者進行初步評估及即時處理肌肉痛楚、拉傷及抽筋等症狀。

TWC has served as a supporting organisation for the third consecutive year. The TWC volunteer team provided professional post-race recovery and acute sports injury physiotherapy services to participants at the Victoria Park finish line. They also supported the Auxiliary Medical Service at four locations along the track, providing acute assessment and quick treatment of muscle pain, strains, and cramps.

躍動健肌 增強生命力

Wong Tai Sin Osteoporosis & Sarcopenia Health Promotion Day

東華學院作為協辦機構，在攤位為參加者提供多項健康檢測服務，包括6米步行速度測試、握力測試及平衡評估，並進行熱身示範，以及透過主題講座分享有關預防骨質疏鬆症和肌少症的健康資訊。

As a supporting organisation, the TWC team provided diverse health screenings to participants at the booth, including the 6-metre gait speed test, handgrip test, and balance assessment, as well as exercise demonstration and a health education seminar on osteoporosis and sarcopenia prevention.

參觀法證指紋實驗室

Visit to Forensic Fingerprint Laboratory

20 名法證生物醫學師生於 2 月 9 日參觀位於警察總部鑑證科的法證指紋實驗室。作為首間亦是唯一每年到訪的院校，學生觀看從各類證物中修復及提取指紋的先進技術示範，並了解顯現潛在指紋專門儀器的用法。學生對法證生物醫學的職業發展有了更清晰的認知，亦加深了對不同單位跨專業合作的理解。

On 9 February, 20 students from the Forensic Biomedical Science Programme enjoyed an inspiring visit to the Forensic Fingerprint Laboratory at the Police Headquarters' Identification Bureau. As the first and only institution to pay an annual visit, students observed a demonstration of cutting-edge techniques for recovering and developing fingerprints from a wide range of evidence and explored specialised equipment that brings latent fingerprints to light. Students gained clearer insight into career pathways in forensic science and the interdisciplinary collaboration required between different parties.

當日的活動重點是參觀香港警隊首個流動法證實驗室。造價 140 萬港元、由貨車改裝而成的實驗室設備齊全，可快速檢驗指紋。
