東華學院與科大合作 推動跨學科醫療健康教育發展 TWC Partners with HKUST to Advance Interdisciplinary Healthcare Education

東華學院（學院）與香港科技大學於今年 5 月簽署合作備忘錄，旨在為雙方學生提供學習與臨床實習輪換機會，還會合力開發融合前沿科技的跨專業創新課程，以培育面向未來的醫療人才。此外，雙方亦會推動前沿領域的跨學科研究，並且推廣社區服務發展，共建卓越中心，促進醫療教育、研究轉化及臨床護理方面的突破。

校長陳慧慈教授表示：「是次合作關係不僅為學生開拓了更多學習機會，還促進雙方教職員的交流，一起應對醫療界的重大挑戰，攜手改善社會大眾的健康。我們正銳意發展成為一所私立大學和應用科學大學，與科大簽訂的協議，彰顯了院校合作的多元模式和深遠影響——匯聚傳統研究型大學和應用科學大學的優勢，推進學術發展，共創新里程。」

Tung Wah College (TWC) signed a Memorandum of Understanding (MOU) with the Hong Kong University of Science and Technology (HKUST) in May 2025, aiming to benefit their students through clinical rotations and joint interprofessional programmes that integrate cutting-edge technologies. It will also empower both institutions to foster interdisciplinary research in pioneering fields. Together, we strive to enhance community services and co-develop a Centre of Excellence to drive breakthroughs in medical education, translational research, and patient care.

Professor Sally Chan, President of TWC, said, "This alliance will open new doors for our students and promote exchange among our faculty members, allowing them to share knowledge to tackle some of the most pressing challenges in the healthcare field and to cultivate significant improvements in the well-being of our community. As TWC embarks on the journey to becoming a private university and a University of Applied Sciences, signing this MOU represents a promising future of collaboration - a partnership that bridges the strengths of a traditional research-intensive university with a soon-to-be university of applied sciences, propelling our endeavours to new heights."
